

# School Days Calendar Adjustment

With recent legislation requiring schools to provide MIOSHA training as well as targeted technology professional development to our staff, we will be adjusting our calendar slightly. In an effort to provide consistency for our families, with the exception of two dates, every 2nd Friday will be ½ days and will be as follows:

November 13

December 11

January 15

February 12

March 12

April 16

May 14

June 11 (already scheduled)

June 18 (already scheduled)

June 23 (already scheduled)

Please note that Tech Center Students will still attend their afternoon sessions
