

# REMOTE DAY

When: November 4, 2020

Who: All K-12 Students

Why: With Covid-19 cases on the rise in Tuscola County, we want to ensure that, should county or state officials find it necessary for schools to go to remote learning, everything is in place for a smooth transition.

Remote learning is much different than what took place last spring as participation is now mandatory, not optional.

How: Students will be expected to login to each class through Google Classroom for their Wednesday schedule.

Teachers will be available 8:00am-3:00pm for instruction and follow-up with students.

Technology: Chromebooks will be sent home with students on Tuesday, November 3rd and should be returned on Thursday, November 5th.

Meals: Each student will be provided with breakfast and lunch for the next day and these will be sent home with them on Tuesday, November 3rd. Please plan to refrigerate bags once they arrive home.
